# GET TO KNOW ANKARA

---

Capital and second most densely populated city in Turkey, Ankara differs from Istanbul in its modernity and explosively young atmosphere. In a panoramic view of Ankara there will be mosque minarets next to ultra modern glass towers, all surrounded by institutions and international embassies.

Visiting the Anıtkabir, enjoying the views of the city from the castle in Ulus, strolling through the botanical park near Atakule, and exploring the center of Kızılay, are totally mandatory activities.

Do not forget to delight your palate with amazing traditional Turkish dishes. Taste Çiğköfte, an amazing option for vegans, all the different types of Pide, and for the meat lovers go to grab a huge lahmacun.
